Professional Summary

Enthusiastic and detail-oriented MCA graduate with hands-on experience in full-stack development, Python programming, and MySQL database management. Proven ability to deliver scalable web applications and AI/ML models through internships and academic projects. Strong communicator with a passion for learning and adapting in dynamic tech environments.

Technical Skills

- Languages: Python, C++,
- Web Technologies: HTML5, CSS3, JavaScript, React, Bootstrap, Flask
- Databases: MySQL, SQL
- Tools: Git, VS Code
- Others: UI/UX, AI/ML (Pandas, NumPy, Scikit-learn), REST API, FAST API

Education

Master of Computer Applications (MCA), 2022 – 2024

D.Y. Patil College of Agriculture & Technical University, Talsande, Kolhapur

Bachelor of Computer Science (BCS), 2019 – 2022

The New College, Kolhapur

Projects

Hotel Management System

Developed a dynamic hotel booking platform with real-time updates using Python and MySQL. Integrated secure user authentication and booking dashboard, improving booking efficiency by 40%.

Technologies: Python, HTML, CSS, JavaScript, Bootstrap, MySQL, Flask, Fast API.

Creative Enterprise and Construction

Designed and deployed a responsive web platform for booking construction products and showcasing projects. Enabled real-time updates and user management, enhancing customer engagement.

Technologies: HTML, CSS, Bootstrap, JavaScript, SQL

Internship & Experience

Python with AI/ML Intern – KreativeTimebox Information Technology (19th May 2025 – 30th August 2025)

- Contributed to live AI/ML projects with hands-on experience in data preprocessing and model deployment.
- Utilized Python libraries such as Pandas, NumPy, and Scikit-learn for real-world problem-solving.
- Gained hands-on experience in designing and implementing rule-based systems, feedback loop mechanisms, and training ML/DL models.
- Developed REST APIs using FastAPI and created efficient UI integrations for AI/ML solutions.

Certifications

- Barclays LifeSkills Program – GTT Foundation (June 2022)
- Python – Complete Beginner to Advanced Certification, Revolution IT Solutions

Languages

- English (Proficient)
- Hindi (Fluent)
